METRANS on the Move: our weekly newsletter by students

Welcome to a new week of transportation-related news and opportunities!

In the News

The articles in this newsletter are prepared or accomplished by others in their personal capacity. The opinions expressed are the author's own and do not necessarily reflect the views of METRANS or its partners.

USC Alum Nicole Guo Moves LA at HDR

Meet HDR traffic designer Nicole Guo, currently working on the Automated People Mover project, designed to improve the transportation system at LAX.

What Travel Will Look Like For The Next Year Or Two

Fasten your seatbelts, travelers. Travel as we know it is going to be a lot different as the world awaits a vaccine or other breakthrough to rid us of the coronavirus.

Rest in Power, Courtney Brousseau

22-year-old transit enthusiast Courtney Brousseau passed away recently due to gunfire from a drive-by shooting.

Courtney ([@cbrewsayso](#) on Twitter) was known for his inquisitiveness, advocacy, and nerdy love of trains. We send our love and strength to Courtney's family and friends, including the queer transit community in the Bay Area.

SF BART's tribute tweet to Courtney is linked [here](#).

Courtney's light spread to hundreds; please feel free to contribute to the many shared memories if you knew him.
