METRANS on the Move: our weekly newsletter by students

Welcome back, readers! Be sure to check out new scholarship offerings in the revamped Pathways to Opportunity section below.

In the News

The articles in this newsletter are prepared or accomplished by others in their personal capacity. The opinions expressed are the author's own and do not necessarily reflect the views of METRANS or its partners.

UCLA's Kidada Malloy Joins ICF

Growing up, Malloy heavily relied on alternative modes of transportation. Mobility and planning played such a big role in her life that she decided to complete a Master's degree in Urban Planning at UCLA.

***Blast from the Past:* The Hidden History Of American Anti-Car Protests**

Traffic safety activism in the 1970s helped reshape Dutch streets. But the U.S. had its own movement, led by women.
