

METRANS on the Move: our weekly newsletter by students

We hope you are all safe and healthy. We recognize and stand in solidarity with the #BlackLivesMatter movement.

In the News

The articles in this newsletter are prepared or accomplished by others in their personal capacity. The opinions expressed are the author's own and do not necessarily reflect the views of METRANS or its partners.

When Transportation Gets Tough, James Huang Gets Going

Huang wanted to improve attitudes about cycling and increase affordability of bike share. In his senior year of high school, he established a partnership with Lyft's Motivate.
