

METRANS on the Move: our weekly newsletter by students

Congratulations to our CSULB, UCI, UCLA, UC Davis, and Pima Community College graduates!

In the News

The articles in this newsletter are prepared or accomplished by others in their personal capacity. The opinions expressed are the author's own and do not necessarily reflect the views of METRANS or its partners.

Traffic Trends And Safety In A COVID-19 World

Speakers described an overall decrease in traffic during state-level "Safer at Home" orders, while their research revealed divergent traffic patterns and crash data.

Read more [here](#).

Whose Streets? Black Streets

I've been contemplating the ways the planning profession has had its knees in the necks of Black people through policy, design approaches and white privilege.

Read more from Amina Yasin [here](#).

Listen Up: The Urban Planner's Podcast

GiGi the Planner's podcast is for all audiences interested in and involved with urban planning. Her latest podcasts include interviews with fellow planners, like Dee P. (Desiree Powell), and advisory sessions for planning students.
