

## METRANS on the Move: our weekly newsletter by students

**An opportunity to help and a thank-you gift!**

If you have a summer internship, we encourage you to complete this Harvard Business School Study on Summer Internships. For more information on the study and the thank-you gift from Harvard, see [here](#).

## In the News

The articles in this newsletter are prepared or accomplished by others in their personal capacity. The opinions expressed are the author's own and do not necessarily reflect the views of METRANS or its partners.

### Meet Amalvy Perez, First Grad of Pima AV Driver and Ops Specialist Program

Meet Amalvy Perez, the first graduate of the Autonomous Vehicle Driver & Operations Specialist certification from Pima Community College, Tucson, Arizona.

Read more [here](#).

### You will soon be able to take the train to LAX. Is it enough to jump-start rail in L.A.?

“LAX airport access has been something of an embarrassment, and I think the [connector] project will be quite favorably perceived,” Giuliano said. “It is a long overdue step in building a functional transit network in L.A.”

Read the LA Times feature [here](#).

### POLL POST: Should transit agencies adopt women-only transit? We'd love to hear your explanations below!

In trying to solve how to eliminate sexual harassment and violence towards women on public transportation, some suggest to have women-only transit systems.

Read the Streetsblog Chicago feature [here](#) and take the poll [here](#).

## Webinars & Online Events
