

METRANS on the Move: our weekly newsletter by students

With COVID-19 cases rising, please continue taking precautions to protect yourself and others. We wish you health and safety!

In the News

The articles in this newsletter are prepared or accomplished by others in their personal capacity. The opinions expressed are the author's own and do not necessarily reflect the views of METRANS or its partners.

Tweet Time: Signs of Environmental Racism

Environmental racism and discrimination are directly related to the built environment -- often poor people and people of color (POC) live in less-than-ideal conditions, including next to freeways and in redlined areas.
