

METRANS on the Move: our weekly newsletter by students

METRANS is hosting two Fall 2021 Speaker Series webinars tomorrow, September 22nd!

In the News

The articles in this newsletter are prepared or accomplished by others in their personal capacity. The opinions expressed are the author's own and do not necessarily reflect the views of METRANS or its partners.

UCI's Michael Hyland presents Pathfinding for Shared Ride Vehicles

Dr. Hyland's research interests center on modeling, design, control, and analysis of smart city transportation systems with emphasis on shared-use autonomous mobility services and urban transit networks. Dr. Hyland's research has been funded by PSR.
