METRANS on the Move: Our Weekly Newsletter for Students

A New Year's Celebration at Los Angeles Union Station.
Photo Credit: @unionstationla on Instagram

Happy New Year from the METRANS team!

Readers, welcome to this week's issue of METRANS on the Move! This newsletter is a team effort to foster knowledge and opportunities related to transportation. If you have suggestions for content – events, scholarships, jobs, and more – that you'd like to see included, just reach out to our Publisher, Danielle Dirksen, at ddirksen@usc.edu. Enjoy this week's issue, and click the button below to subscribe!

ITS World Congress 2020: Emerging Leaders Program Register by: January 15, 2020 Program: October 4 through 8, 2020 Los Angeles

Designed for College and University students of various disciplines who hold an interest in mobility and technology, the Global Challenge recruits teams of students from around the world to solve a mobility challenge in hopes of advancing to the final round in Los Angeles, California.

To register, you will be asked to identify your team members (3 to 5 individuals maximum) and your professor/mentor. You will also be asked to explain in no more than 350 words what motivates your team to respond to the specific challenge statement, as well as the area of focus for your final submittal.

Please click below for more information and to register.

California High-Speed Rail: Delivering a Transformative Investment January 24, 2020 from 1:40 to 3 pm Pacific 1605 Tilia, Room 1103, West Village, UC Davis or Online

High-Speed Rail is a transformative investment for California. It is a unique transportation tool: a zero-emissions mode capable of shifting people out of cars, and crucially, airplanes for long distance travel that also reinforces and concentrates development in existing downtown cores.

Speaker Margaret Cederoth will cover the basics of the system and its delivery as well as detail policy and program approaches that

enable it to be an organizing principle.

Eno Webinar - Understanding How Women Travel
Tuesday, January 28, 2020 from 12 to 12:30 pm Pacific
Online

What are the needs and experiences of women traversing LA County? LA County Metro recently released a report, "Understanding How Women Travel". This study aimed to collect data and offer findings that can help improve women's safety and comfort on transit and attract and retain women to the Metro system. In this webinar, panelists will discuss the origin of the project, the methods used, and the key findings from the study.

Speakers are Chelsea Richer, with Fehr & Peers, and Alice Grossman with Eno.
