**Password: 819429**

In this webinar, Dr. Zach Barlow will be giving us an inside look into his recent transportation engineering projects! He is a Project Manager at Ironside Engineering and Development, Inc. where he focuses on traffic and transportation related projects. He continues to pursue research interests at IE&D related to rural transportation safety as well as transportation history.

---

Dr. Zach Barlow received his PhD from Oregon State University. He is a member and the Communications Coordinator for the Transportation Research Board's (TRB) Committee on Transportation History.
