### California High-Speed Rail: Delivering a Transformative Investment

**January 24, 2020 from 1:40 to 3 pm Pacific**  
1605 Tilia, Room 1103, West Village, UC Davis or Online

High-Speed Rail is a transformative investment for California. It is a unique transportation tool: a zero-emissions mode capable of shifting people out of cars and airplanes for long distance travel that also reinforces and concentrates development in existing downtown cores. Speaker Margaret Cederoth will cover the basics of HSR and policy approaches that enable HSR to be an organizing principle.

### Eno Webinar - Understanding How Women Travel

**Tuesday, January 28, 2020 from 12 to 12:30 pm Pacific**  
Online

What are the needs and experiences of women traversing LA County? LA County Metro recently released a report, "Understanding How Women Travel". This study aimed to collect data and offer findings that can help improve women’s safety and comfort on transit and attract and retain women to the Metro system. Speakers Chelsea Richer and Alice Grossman will discuss the origin of the project, the methods used, and the key findings from the study.

### ITE Western District Student Leadership Summit 2020

**January 31 through February 2, 2020**  
USC and UCLA Campuses

At the intersection of entertainment and traffic congestion, there is Los Angeles. It is the perfect location for the 7th Annual Institute of Transportation Engineers (ITE) Student Leadership Summit to take place in 2020. UCLA and USC are proud to host the 2020 Student Leadership Summit. Join us at USC for an evening of networking and entertainment on Friday, and then come out to UCLA for conference activities!

Professionals and students, please click below for more information and to register.
ITS World Congress 2020: Emerging Leaders Program  
**NEW Registration Date:** February 1, 2020  
**Program:** October 4 through 8, 2020  
Los Angeles

Designed for College and University students of various disciplines who hold an interest in mobility and technology, the Global Challenge recruits teams of students from around the world to solve a mobility challenge in hopes of advancing to the final round in Los Angeles, California. To register, you will be asked to identify your team members (3 to 5 individuals maximum) and your professor/mentor. You will also explain what motivates your team to respond to the specific challenge statement, as well as the area of focus for your final submittal.

Please click below for important dates and to register.
