Welcome to this week’s issue of METRANS Newsletter. I am Micha Kempe, Senior at University of Southern California studying Real Estate Development and Business Administration Minor. Having found many issues regarding the seamless connectivity of the applications for the USC Campus Cruiser and USC Transportation applications, I thought that it would be beneficial for them to work together within one all inclusive application. I am speaking at the NaTMEC conference in Irvine, CA about the new USC Mobility Lab which is run by METRANS and USC Transportation which is a unique partnership including both the academic and institutional working together solving mobility issue across USC and Los Angeles. The newsletter continues to be a great source of latest developments in transportation, research, and job opportunities. If you have suggestions for content or opportunities that you’d like to see included, just reach out to our Associate Director Vicki Valentine Deguzman at victoriv@price.usc.edu. USC Price Students Strengthen Alumni
Connections through New York Trek
By Rui (Rae) Zhang, USC Price School MPL, Transportation, 2018 Alumnus
Is there a better way to spend the spring break than visiting Trojan alumni in New York? The 13 New York Trekkies selected from the 35 competitive applicants could not think of any other answer when they made plans this spring. Organized by Career Services of USC Price School, from March 11th to 15th, the New York Trek connected New York-based alumni with ten graduate students and 3 undergraduates. The Trek is a partnership program with the Office of Development in the Price School, which raised all the funds necessary to support student participation. Read more here.

Scholarships & Academic Opportunities

Mistra SAMS International Young Researcher Grants
Sustainable Accessibility and Mobility Services

The Mistra SAMS program seeks to engage young, international researchers as active partners in collaborative and comparative research projects within the program's core areas of scientific interest and invites Ph.D. students and young researchers in early stages of their career (max 5 years after Ph.D. completion) to apply for grants for short-term research visits at Swedish universities or other research environments within the program.

Successful candidates must have documented scientific competence (or ongoing Ph.D. work) in an area of core relevance to a specific scientific team or work package within the Mistra SAMS program. Only Ph.D. candidates or researchers with a Ph.D. degree are eligible. The grants amount to 50,000 SEK, and cover travel, accommodation, and living expenses during the stay.
Invitation to apply for grants is continuously open.

Eligibility Criteria:
- Be a college sophomore (30 hours or more satisfactorily completed), junior, senior, or be seeking an advanced degree at a fully accredited institution, with a minimum 3.0 GPA.
- All applicants must be sponsored by a member organization of APTA.

Those selected will also receive complimentary registration and a travel stipend to attend September's APTA Annual Meeting in Nashville, where they will be recognized in a special ceremony. While at the Annual Meeting, scholars will have the opportunity to attend educational sessions and interact with industry professionals and policymakers.

**Student Paper Competition**
TRB Joint Midyear Meeting 2018
For Undergraduate and Graduate Students
Submissions Due July 6, 2018

The organizers of the 2018 Managing Roadways and Transit Meeting and Conference invite students to submit papers for consideration in the Best Student Paper Competition. Student papers must address topics related to managed lanes, active traffic management, transit operations, and innovative freeway operations. Suggested subtopics include planning and policy highlights, implementation challenges and opportunities, and integration of systems. The award selection committee prefers papers that use empirical studies and data. However, the committee will also consider literature review articles and thought pieces.

The competition is open to all undergraduate and graduate students, including students who will graduate during the Spring 2018 semester. Selected awardees will present their paper as a poster at the meeting and conference in Bellevue, Washington, from September 25-27 at the Hilton Bellevue. Two student papers will receive a cash award of $1,500.
