**ITS World Congress 2020: Emerging Leaders Program**

Register by: January 15, 2020
Program: October 4 through 8, 2020
Los Angeles

Designed for College and University students of various disciplines who hold an interest in mobility and technology, the Global Challenge recruits teams of students from around the world to solve a mobility challenge in hopes of advancing to the final round in Los Angeles, California.

To register, you will be asked to identify your team members (3 to 5 individuals maximum) and your professor/mentor. You will also be asked to explain in no more than 350 words what motivates your team to respond to the specific challenge statement, as well as the area of focus for your final submittal.

**California High-Speed Rail: Delivering a Transformative Investment**

January 24, 2020 from 1:40 to 3 pm Pacific
1605 Tilia, Room 1103, West Village, UC Davis or Online

High-Speed Rail is a transformative investment for California. It is a unique transportation tool: a zero-emissions mode capable of shifting people out of cars, and crucially, airplanes for long distance travel that also reinforces and concentrates development in existing downtown cores.

Speaker Margaret Cederoth will cover the basics of the system and its delivery as well as detail policy and program approaches that enable it to be an organizing principle.

**Eno Webinar - Understanding How Women Travel**  
**Tuesday, January 28, 2020 from 12 to 12:30 pm Pacific**  
**Online**

What are the needs and experiences of women traversing LA County? LA County Metro recently released a report, “Understanding How Women Travel”. This study aimed to collect data and offer findings that can help improve women’s safety and comfort on transit and attract and retain women to the Metro system. In this webinar, panelists will discuss the origin of the project, the methods used, and the key findings from the study.

Speakers are Chelsea Richer, with Fehr & Peers, and Alice Grossman with Eno.

**Eno’s Future Leaders Development Conference**  
**Apply by: Friday, February 7, 2020**  
**Conference: May 31 through June 4, 2020 in Washington, DC**

For the past 27 years, the Eno Center for Transportation has selected 20 of the nation’s top graduate students in transportation to attend a week-long conference in our nation’s capital. Fellows are given an exclusive insider’s look at how national transportation policies are developed, hearing from influential speakers from all sectors of transportation.

Candidates must be graduate-level students pursuing a master’s or doctoral degree in a transportation related program

Students and interested sponsors, please click below for more information and to apply.
Postdoctoral Research Opportunity
Position begins: March 2020
Conference: May 31 through June 4, 2020 in Washington, DC

The Department of Transport Engineering and Logistics (DTEL) at the Pontificia Universidad Católica de Chile has a number of ongoing projects on different Public Transport. We are looking for applicants with interests regarding public transport (i.e. planning, design, financing, economics, social issues, environmental impacts, demand modelling, operations and control). We welcome applicants with the ability to carry out interdisciplinary and collaborative research and an interest in the role transportation plays in urban sustainability.

Please click below for more information and to apply.

National Shared Mobility Summit
March 17 through 19, 2020 in Chicago

What if we could reverse transportation inequity; cut carbon emissions to reduce the impact of climate change; rethink land use and integrate technology, policy, and action to change modes and minds? What if we could create mobility for all? We can.

Join over 800 public- and private-sector leaders, innovators, and advocates for an immersive three days of cross-sector collaboration dedicated achieving equitable, accessible, affordable, and clean mobility.
