A Discussion on Climate Change

24 hours of Reality: Truth in Action, is a global conversation on climate change. For one full 24-hour period, November 20–21, the world is coming together to talk about the climate with *24 Hours of Reality: Truth in Action*. You are invited to join Climate Reality Leader, Director, Writer, Producer, and Professor Jeremy Kagan, trained by former Vice President Al Gore, who will use videos, stills and graphics to illustrate the state of the climate and will lead a discussion on the current and projected climate and possible actions.
