RGL 215

Meet Michael Schneider, CEO and Founder of Streets for All

Michael Schneider

Please note: Michael will be joining the seminar via Zoom but students are encouraged to meet in RGL 215 for lunch!

Michael, a native Angeleno, founded Streets For All (streetsforall.org) in 2019 to promote freedom of choice around transportation in his hometown and he passionately believes that everyone has the right to get to where they are going safely, regardless of their mode of transportation. Streets For All is building the largest community of people that want to see change in California and is activating them around events that will make change happen – including making sure the right people get elected to Los Angeles City Hall.
