

Transportation Research Board (TRB) Standing Committee on Women and Gender in Transportation (AME20) WEBINAR SERIES

Young Scholars Transportation Research Webinar

Please join us as Vicki Deguzman leads a panel of young transportation scholars in discussing their current research related to equity in transportation.

- Equity and Wildfires in California: Evidence from the 2018 Camp Fire and Literature - Sarah Grajdura, University of California, Davis
- School Transportation Equity for Vulnerable Student Populations through Ridehailing: An Analysis of HopSkipDrive and Other Trips to School in Los Angeles County - Samuel Speroni, University of California, Los Angeles
- Neighborhood Change and Travel Behavior in California's Transit Rich Neighborhoods - Hannah King, University of California, Los Angeles
- Understanding Mobility Change in Response to COVID-19: A Los Angeles Case Study - Yougeng Lu, University of Southern California
