Traffic Trends and Safety in a COVID-19 World

With Mena Lockwood, Brian Mayhew, and Fraser Shilling

What lessons can we learn to advance transportation safety research and practice with COVID-19?

Webinar outline and presenters:

- **North Carolina Department of Transportation's analysis of changes in traffic conditions following NC's stay-at-home order:**
Daniel Carter, *NCDOT*
- **Virginia Department of Transportation's analysis of traffic and safety conditions during COVID-19 orders:**
Mena Lockwood and Sanhita Lahiri, *VDOT*
- **Changes in traffic conditions and crashes in California during regional and statewide stay-at-home orders:**
Fraser Shilling, *University of California, Davis*

Learning Objectives:

At the end of this webinar, participants will be able to:

- **Identify how COVID-19 has affected traffic safety**
- **Leverage lessons learned to apply to traffic safety management**
- **List Transportation Research Board resources that can assist you**
