

UCLA

Degree Programs

[University of California, Los Angeles](#) (UCLA) is a public research university renowned for its research, academic influence, and contribution to community. UCLA states its primary purpose as "creation, dissemination, preservation and application of knowledge for the betterment of our global society".

[UCLA Institute of Transportation Studies](#) (UCLA-ITS) is one of the leading institutes in transportation policy in the country. Its mission is to "support and advance cutting-edge research, highest quality education and meaningful and influential civic engagement on the many pressing transportation issues facing our cities, state, nation and world today".

There are three degree programs offered by UCLA-ITS:

Master of Public Policy – Transportation Policy and Planning,

Master of Urban and Regional Planning (MURP) – Transportation Policy and Planning,
and Doctor of Philosophy in Urban Planning – Transportation Policy and Planning.
