## Engineering is **SWE**et

Help SWE inspire girls to pursue careers in engineering!

Come to join us for interactive games to encourage the next generation to consider a STEM career.

### Volunteers Needed!

We are expecting around 60 girls to participate in 5 workshops, each lasting about 20 minutes. For more information, or to join our volunteer team, please contact

METRANS PSR is proud to partner with the Society of Women Engineers (SWE), a non-profit, global organization founded in 1950 which aims to provide female engineers with a supportive community and a greater voice in the engineering industry.
